(a) In respect of those who are drawing All India Council of Technical Education Scales of pay, additional basic pay is not counted for purpose of H. R. A. and C. C. A. Such officials in the School of Mines have drawn H. R. A. and C. C. A. on the additional basic pay. The circumstances under which they have drawn is being examined.

(b) The All India Council of Technical Education Scales of pay have been discontinued from 1-1-1970. Only those who had been granted these scales prior to 1-1-1970 are continued in the pay scales already granted. Hence, the question of granting revised All India Council of Technical Education Scales of pay does not arise.
